Terms of Use

Signing Party:
Organisation (if applicable):
Date:

(Below the term "product" or "products" is used to describe the script, modification, files, or software)

This is an agreement between You and FAXES or its affiliates ("Fraffel Media") and governs your Use of FAXES products. "You" and "Your" means the individual or legal entity licensing the Software under this license and whose name is listed above. "Use" or "Using" means to download, install, activate, access or otherwise use the product.

Acceptance of Terms. Using the product, You agree to be bound by the terms of the license. If you are entering into this license on behalf of an entity, you represent that you have authority to bind that entity. If you do not have such authority or you do not agree to the terms of the license, neither you nor the entity may use the product and it can not be sold until the license is agreed too. There are no refunds with this product.

1. This product is not to be exploited for personal, financial or commercial gain. This product is provided without *any* form of warranty. Therefore, responsibility for any damages caused by this product or its misuse rest solely with the user, as the author(s) will accept no liability.

2. This copy of terms must remain in its original state and must not be modified in any way.

3. These terms must be alongside the product at all times.

4. Do not redistribute to any other entity without written permission from the products seller ('FAXES').

5. Do not redistribute to any other sites and/or entities.

6. Editing / abusing these terms will result in action and termination of (future) services.

7. Do not take credit for the product. Removing credits from inside the products file(s) is prohibited.

8. This product has a no refund policy. Please try the product beforehand.

9. If there is internal documentation labelled with "[START NO EDIT]" you cannot edit until internal documentation stats "[END NO EDIT]".

10. Disabling, removing and/or making the "botcredits.js" file not available is not permitted, it *must* be available and able to use. This applies to any purchased product that has this file name.

Breaching the above-listed terms or 'working around' them is *not* permitted, doing so will result in termination of services from FAXES and/or its affiliates. All entities involved will have action taken on them.
